

REMARKS

Claims 1-20 are pending in this Application. Claim 2 is canceled with this Amendment. Claims 14-16 stand allowed. Claims 5-10, and 13 stand withdrawn as being directed to non-elected inventions.

The limitation of claim 2 has been incorporated into claim 1. The definition of R³ has been amended to recite alkyls having 3 carbons or greater. Support for this is found in the Specification at page 7, lines 3 and 4.

Favorable consideration in the form of a notice of allowance is respectfully requested.

Respectfully submitted,

S. Matthew Cairns, Ph.D.
